

G20 Outreach Programme

Cllr Shiela Mabale-Huma

Executive Mayor Rustenburg Local Municipality

The Department of International Relations and Cooperation, in collaboration with the **University of South Africa (UNISA)** and the **Rustenburg Local Municipality**, will be hosting a G20 Townhall symposium to serve as a platform for highlighting the importance of inclusive economic growth and development across the municipality. The symposium seeks to afford various municipality-based stakeholders with the opportunity to participate as agents of change in reflecting processes concerning global issues, sharing experiences and knowledge, negotiating and proposing inputs and solutions for G20 discussions and decisions.
