The purpose of the report is to request Council approved the Traffic Calming Policy to ensure that it can be enforced by the Council Officials. The purpose of the Traffic Calming Policy is to:

- ensure that all traffic calming problems are evaluated in a uniform way,
- clearly define where on the road network traffic calming is allowed,
- define what traffic calming techniques will be allowed in the area, and
- to outline the decision process that should be followed in approving traffic calming facilities.

This document serves as a policy document for the Rustenburg Local Municipality on Traffic Calming and the four aspects listed above are addressed in this document. The approach followed in this document is to define *WHERE* traffic

E.Y.

calming can be implemented, *WHAT* types of facilities are available and the use of each type of facility, and to outline *WHEN* traffic calming is warranted.
