Rustenburg – A devastating act of violence shattered the calm of a Saturday afternoon when beloved couple Wilma Reinet Koster (65) and George William Koster (68) were gunned down at Platinum Square Shopping Centre on 14 June 2025. The community is shocked, heartbroken, and questions linger in the wake of their sudden, violent passing.

According to police, the elderly couple were shot in broad daylight in what is now being investigated as a double murder. Thanks to the swift efforts of Rustenburg detectives, crime intelligence, the K9 unit, and multiple policing teams, two suspects — aged 29 and 41 — were arrested in Boitekong and Rustenburg East just days later. A getaway vehicle and firearm believed to have been used in the murder were recovered.

One of the suspects confessed to driving the car while his accomplice allegedly pulled the trigger. Both are expected to appear in the Rustenburg Magistrates' Court on Thursday, 19 June 2025. Major general Patrick Asaneng, North West acting provincial commissioner, commended the team's rapid response.

The shooting took place at Platinum Square Shopping Centre, sending waves of panic through the community. "I was helping customers when the shots rang out," recalled a centre employee. "A little girl kept saying to her mommy 'I don't want to die.' That moment broke something in me. I'll never forget it."

Another witness said, "Seeing a real crime scene — with bodies — it hits you in a way nothing else can. The pain, the loss... If I feel like this as a stranger, I can't imagine how the family must feel."

Platinum Square management released a statement confirming their full cooperation with police and praised the bravery of their security team who responded quickly. Additional security measures have since been put in place.

Wilma and George's lives were entwined in love and devotion. Their sudden departure has left a void in the hearts of all who knew them. Their funeral will take place on Saturday, 21 June 2025, at the New Apostolic Church in Rustenburg. The service will be conducted by Martin's Funeral and Cremation Services. We extend our heartfelt condolences to the Koster family, their friends, and all who mourn. May their memory live on in the love they gave, and the legacy they leave behind.

George William Koster (68) and Wilma Reinet Koster (65), the couple whose lives were tragically taken in a shooting.

TEEN'S MURDER CASE POSTPONED AGAIN

Rustenburg – The Rustenburg community remains haunted by the loss of 19-year-old Lethabo Sibanda, a former learner at Hoër Tegniese Skool, who tragically lost his life in a fatal stabbing at the busy Rustenburg Taxi Rank in 2023. Diditile Blessing Tladi (18), the accused in the case, has been in custody since his arrest. The case has seen several delays. According to Sivenathi Gunya, communications officer for the National Prosecuting Authority (North West Division), the matter was again postponed on Thursday, 20 June 2025. The postponement comes as the defence intends to apply for bail based on new facts. Contrary to earlier expectations, the case has not yet been transferred to a regional court for trial and remains in the district court while the bail application process unfolds.

TINY OWL GETS A SECOND CHANCE

Rescued just in time!

This little pearl-spotted owllet, found weak and injured in Swarthuggens, is now safe and healing thanks to the swift response of wildlife rescuers.

Swartruggens – Sometimes, the smallest creatures have the biggest stories. On 30 May 2025, a fragile pearl-spotted owl (*nonnie uil*) was discovered at the Swartruggens mills — underweight, injured, and alone. But thanks to quick-thinking community members and the dedication of Timothy Strydom from P.D.I. Wildlife Rescue, the tiny owl's fate changed for the better.

Despite a long day's work, Strydom didn't hesitate. "Its toe was injured, and it was thin," he said. Without delay, he transported the owl to a rehabilitation centre for urgent care. Now, the young bird is in safe hands at the Owl Rescue Centre in Hartbeespoort, receiving ongoing treatment and attention.

This heartwarming rescue highlights the important work done by P.D.I. Wildlife Rescue, an organisation led by Debbie van den Berg, which assists with wildlife rescues in Swaruggens, Groot Marico, Zeerust, Rustenburg, and surrounding areas.

"Our patrollers are on the road 24/7 to keep it safe and clear," said Bakwena on 13 June 2025. "We urge all motorists to remain vigilant and report any suspicious activity immediately."

Danger Zones! Proteapark, Helen Joseph, N4 area!

Rustenburg – The Rustenburg Crime Combatting Forum (RCCF) has issued a warning to residents following a spike in house break-ins and suspicious activity in parts of Proteapark, particularly around Helen Joseph Drive and the N4.

According to RCCF chairperson Kobus Ferreira, the alert follows detailed surveillance and incident reports collected between Monday, 26 May and Sunday, 1 June 2025.

A newly released safety map outlines current high and medium-risk areas. Red-shaded zones highlight locations where break-ins and attempted burglaries occurred during the past week. Yellow areas show open spaces flagged

for ongoing surveillance and intel gathering, while orange marks identify immediate vehicle access routes seen as potential danger points. Ferreira stressed that community involvement plays a crucial role in deterring crime. “We’ve seen clear results — in areas where we’ve helped residents form Street and Block Watches, crime has gone down,” he said. The RCCF encourages residents of Proteapark and surrounding areas to get involved, stay informed, and reach out for assistance in setting up community watches.

To report suspicious activity or get support in starting a Street or Block Watch, contact the RCCF on 074 327 3041.

FOOT AND MOUTH DISEASE ALERT!

North West Province – The North West Department of Agriculture and Rural Development confirmed on 16 June 2025 that Foot and Mouth Disease (FMD) has been detected in the province, with confirmed outbreaks in the Dr Kenneth Kaunda District, specifically within the JB Marks Local Municipality. Follow-up investigations are also now underway closer to home in Rustenburg.

The first case was reported by a private veterinarian who noticed suspicious symptoms on a farm. State veterinarians were dispatched, and samples confirmed the presence of the disease after testing at the Onderstepoort Veterinary Institute.

A second incident was uncovered at an abattoir in Madibeng during post-mortem meat inspection, after being missed at the ante-mortem stage. Tests revealed the presence of both SAT 2 and SAT 3 types of the virus. Unslaughtered animals were traced back to a Ventersdorp feedlot and safely returned under Red Cross permit. Both affected farms are now under strict quarantine.

The Department has placed all farms linked to the broader Gauteng outbreak under precautionary quarantine, pending test results.

Foot and Mouth Disease is a highly contagious viral illness that affects cattle, pigs, goats, sheep, and other cloven-hoofed animals. Symptoms include fever, lameness, and

painful sores on the mouth, feet, and teats. Locally, state veterinary officials are expected in the Avondale area near Rustenburg starting 19 June 2025. This is part of a follow-up response to a suspected local case. Premises within a 5-kilometre radius of location M35 will be visited. Site inspections and sample collection will be carried out by:

- **Emmanuel Midzi** (State Veterinarian – Rustenburg)
- **Aubrey Khubayi** (Animal Health Technician – Kgetleng River)
- **Neo Marumolwa** (Animal Health Technician – Kgetleng River)
- **Yvonne Sekano** (Control Animal Health Technician – Kgetleng River)

DISINFECTION TIP

Farmers and animal handlers are encouraged to use a basic disinfectant mix to clean equipment and shoes. According to state veterinary officials, a solution made by diluting household bleach (Jik) or Surf powder at a 1:10 ratio (1L to 10L water) is effective. This method is recommended in official government guidelines.

TO REPORT SYMPTOMS OR SUSPECTED CASES

Please contact your local State Veterinarian immediately. For more information, contact, Dr Langa Madyibi, Director of Veterinary Services – 066 190 9190.

Our Ward Matters – because every street counts

Rustenburg – In a time where service delivery often falls short, the Our Ward Matters (OWM) team is stepping up — proving that with grit, community spirit, and a bit of asphalt, real change is possible. From fixing potholes to helping families in need, OWM — under the leadership of André van Dyk and Ward 17 Councillor Tanya Rothman — continues to turn hope into action across Rustenburg's Ward 17.

Working for change — Ward 17 residents, OWM volunteers, and EPWP workers in action as part of the ongoing cleaning and maintenance project.

On 11 June 2025, the OWM Pothole Project officially wrapped up — and the numbers speak volumes:

- 581 potholes repaired
- 510 bags of asphalt used
- 158 hours of manual labour
- 21 consecutive days of hard work

"This is what community looks like," said Van Dyk. "Neighbours helping neighbours, fixing our roads when no one else will. And we're not done yet — we'll continue as new potholes appear and funds allow." Cllr Rothman added, "I've been on the ground every day, and I can

honestly say — this team is building more than roads. They're building pride, ownership, and momentum."

From fixing roads to warming hearts

But infrastructure is only half the story. On 12 June, OWM launched a new initiative — Our Ward Cares — aimed at uplifting families in need.

Thanks to the Agapé Gemeente, warm winter clothes were handed over to the hardworking OWM volunteers and their children. The handover was done by Cllr Rothman, Ilse Du Preez, and André van Dyk, reinforcing the message that charity starts at home.

In a separate act of kindness, OWM volunteer Annie identified a struggling family in the area. Through donations from caring residents, winter clothes and Christian books were delivered to the family — a gesture that reminded everyone what community is truly about.

How you can help

Our Ward Cares is collecting:

- Clothes (especially winter wear)
- Stationery and books
- Toiletries
- Non-perishable food

Happy 10th Birthday to the Magaliesberg Biosphere

AND A TRIBUTE TO ITS FIRST CHAIRMAN, PROFESSOR PAUL FATTI

Professor Paul Fatti

Rustenburg – On Monday 9 June 2025, we proudly celebrate a decade since the Magaliesberg Biosphere Reserve was officially designated by UNESCO, under their Man and Biosphere Programme. A milestone for all who cherish this unique and ancient landscape — and none more so than Professor Paul Fatti, a steadfast champion of the Magaliesberg Mountains, a core area of the biosphere. Ten years ago, Professor Fatti was part of the South African delegation that travelled to UNESCO headquarters in Paris to witness the designation of the Magaliesberg Biosphere. But that moment, historic as it was, marked only one step in a determined journey of over 50 years! From his early years as chairman of the Mountain Club of South Africa to his leadership in the Magaliesberg Protection Association, Paul has been at the forefront of conservation efforts in the Magaliesberg Mountains. His influence has shaped both policy and public awareness. In 1977, thanks in large part to Paul's tireless lobbying, the high ground of the Magaliesberg was proclaimed the first "Natural Area" in South Africa under the Physical Planning Act. This landmark achievement laid the foundation for further protections under the

Environmental Conservation Act of 1989 and later the National Environmental Management Protected Areas Act of 2003, under which the Magaliesberg was designated a "Protected Environment".

Inspired by the 1999 inscription of the Cradle of Humankind as a UNESCO World Heritage Site, Paul joined Vincent Carruthers and others in a bold vision: to secure international recognition for the entire region. Their campaign, supported by the NW Province, Gauteng and the Department of Environment, ultimately led to the declaration of the Magaliesberg Biosphere Reserve — a globally recognised model for reconciling biodiversity conservation with sustainable land use.

Today, Paul Fatti continues to serve on the Board of the Biosphere, bringing decades of knowledge, passion, and hope for the future.

On this special day, we extend gratitude for Paul's legacy of leadership, resilience, and belief in the Magaliesberg's irreplaceable value. And to the Biosphere, we say: here's to the next ten years of protection, progress, and promise.

FIRE SEASON – Are you prepared...?

Rustenburg – After a severe 2024 fire season with devastating runaway wildfires, the Greater Rustenburg Fire Protection Association (GRFPA) would like to bring to the landowners' attention the following: The National Veldfire Act of 1998 stipulates the responsibilities and legal obligations of landowners in the prevention and combating of wildfires. We urge all landowners to visit the GRFPA website at grfpa.org and familiarise themselves with the provisions of the Act.

With the abundant rain our region had during the past summer, the veld has grown thick and lush. This is great but in the same breath worrisome. We have a high "fuel load" for wildfires and preparations need to be made to safeguard structures, animal enclosures, pasture fields etc. Are you prepared?

These laws are not only applicable to outlying farms and rural areas, but also to those living on the urban edge. What happened in Los Angeles and Cape Town earlier in the year, could easily happen in our region. We had a close encounter last year when the Kgaswane Reserve fire threatened town.

We urge you, as patrons of Rustenburg, to be cautious and vigilant. Currently, the farmers are preparing their firebreaks for the season and a lot of smoke is noticeable. As of the 1st of July 2025, a Burn

Permit is required to conduct any burns subject to the Fire Danger Index. These are available from the Fire Brigade and members of the GRFPA can apply via the GRFPA portal.

Let us unite as one in the combatting of these devastating fires. When out on a hike, visiting parks or having an outdoor braai – only make a fire in a safe location dedicated for such. Do not throw cigarette butts out of the window or into the veld. Do not start a fire without the necessary permissions and equipment to control such.

Be kind to yourself, your neighbours, your community and nature – DON'T START FIRES!

Kid'z College Turns 20!

TWO DECADES OF DREAMS AND DEDICATION AT KID'Z COLLEGE

From left: Kid'z College principal Chrissie Child, head girl Panashe Zimani, head boy Lunathi Moatshe, and director Kirsten Gibbon — leading with purpose as the school marks its 20th anniversary.

The dedicated team behind the success: Kid'z College staff for 2025 — proudly shaping tomorrow's leaders today.

Rustenburg – What began as a modest two-teacher dream in 2005 has blossomed into one of Rustenburg's most respected independent primary schools. This year, Kid'z College celebrates its 20th anniversary — a milestone marked by a legacy of growth, gratitude, and excellence. Established on 1 August 2005, Kid'z College opened its doors to 49 learners. Today, it caters to Grade R through Grade 7 and boasts 18 dedicated staff members. The school, situated at 221 President Mbeki Drive, has grown from six classrooms to a vibrant 16-class facility with specialised areas including a computer lab, a swimming pool, and a purpose-built Grade R section. "From a small start, we've become a school that makes a big impact," said director Kristen

Gibbon. "Over the years, we've grown not only in size but in the depth of the education and care we provide." Principal Chrissie Child, who stepped into her new role at the start of 2025 after serving as deputy principal since 2021, said: "Kid'z College is a nurturing environment where every child is valued and supported to reach their full potential. We are visionary and committed to academic excellence." **Over the past 20 years, Kid'z College has celebrated many milestones:** Rezoning of the property to institutional rights

- Official recognition as a feeder school to Selly Park High School
- Full accreditation from Umalusi
- A growing reputation for academic excellence

The school also shines beyond the classroom. Extracurricular activities include netball, soccer, cricket, chess, choir, and art classes, with learners thriving in leadership roles at high schools across Rustenburg. Head girl Panashe Zimani shared: "The school has always had a wonderful atmosphere. When I enter the school in the mornings, I feel ready to start my day with my friends and teachers." To mark its 20th year, Kid'z College will host a celebration themed "20 Years of Growth, Gratitude and Excellence." Activities will include a "Kid'z Got Talent" show and the "Spirit of Kid'z College Awards", recognising learners who exemplify the school's core values... And there's more on the horizon — the school will open its doors to the community at an Open Day on Saturday, 16 August 2025, from 08:00 to 12:00.

IMPALA ROAR IN ORKNEY!

BIRDLIFE RUSTENBURG

Rustenburg – They dart, dip, and dive across our skies – but getting a good look at swallows, swifts, and martins is no easy feat. These fast-flying birds are a delight to observe, but a challenge to identify. BirdLife Rustenburg is taking on the mystery of these agile aerialists at their upcoming monthly meeting on Monday, 23 June 2025. The presentation, prepared by Shaun McGillewie and Geoff Finney, will be delivered by Gerda Welman and will showcase the unique behaviours and lifestyles of these birds.

Some of these species are long-distance travellers known as palearctic migrants – breeding in Europe and Asia before heading south to enjoy South Africa's warmer months. Others are tropical or intra-African migrants, born locally but spending their holidays elsewhere on the continent. And a few? They're year-round residents, calling South Africa home in every season.

The event will take place at 18:30 at the Methodist Church on the corner of Brink and Schuurman Streets, Rustenburg. Everyone is welcome – members and non-members alike. (Non-members are asked to contribute R30 at the door.)

Bird enthusiasts or those simply curious about the feathered flurry overhead are encouraged to attend. For more information, contact Charles Foot on 073 452 3874.
