

National Water Month 2026

The community of Rustenburg today hosts Sello Seithlo as he engages with local municipalities and Magalies Water on the ongoing water supply challenges affecting residents in the Bojanala Platinum District.

The visit, held at the Rustenburg Civic Centre during National Water Month, highlights the importance of collaboration in strengthening water security and ensuring sustainable service delivery.

💧 Water is Life – Sanitation is Dignity.

Sello Seithlo
Deputy Minister of Water and Sanitation

WATER ROLE IN GENDER EQUALITY

Department of Water and Sanitation South Africa | @DWS_SA | @DWS_ZA

WATER IS LIFE - SANITATION IS DIGNITY

South Africa is a water-scarce country, use water sparingly
