

## Roads and Transport Portfolio Committee Commends Progress at RRT Depot and Taxi Rank Projects

Following the Portfolio Committee sitting, the Member of the Mayoral Committee (MMC) for Roads and Transport, alongside members of the Portfolio Committee and municipal officials, conducted an oversight visit to the newly developed offices at the Rustenburg Rapid Transport (RRT) Depot and Rustenburg Taxi Rank.

The visit aimed to assess progress on infrastructure readiness and operational functionality. While some concerns were raised regarding safeguarding and security around the new projects, members expressed confidence that these issues would be swiftly addressed.

Overall, the delegation commended the notable progress made, praising the quality of the facilities and the commitment shown by the Roads and Transport team in advancing public transport infrastructure in the city.
