(Directorate: Budget and Treasury)

1. STRATEGIC THRUST

To promote sound financial management and viable financial management including good governance

2. PURPOSE OF THE REPORT

The purpose of the report is to provide Council with progress regarding the implementation of the supply chain management system for the fourth quarter of 2018 (April, May and June). In addition, the report is submitted in order to comply with Council resolution of item no 244 dated 25th of September 2018: “That the report be referred back for inclusion of necessary information.”

3. BACKGROUND

Section 6 (2) and (3) of the Municipal Finance Management Act Municipal Supply Chain Management Regulations requires that for the purpose of Council to exercise its oversight role and the accounting officer must monitor and assess on continuous basis the implementation of the Supply Chain Management System and submit a report on the implementation at the end of each month to Executive Mayor.

The report submitted to Council on the 25th of September 2018, only indicated the number of bids awarded to both Black or White ownership and % ownership by women. The request was that the name of the awarded bidder be indicated in addition to the details provided above.

4. DISCUSSION

The report is submitted to ensure that the supply chain processes followed by management is in line with Municipality’s policy framework and regulations pertaining to supply chain management. All bids contained in this report were advertised, evaluated and adjudicated in accordance with the Supply Chain Policy and is obtained from the appointment letters signed by the Accounting Officer.
