Notice:

27 June 2019

The Rustenburg Local Municipality will be intensifying its credit control processes to ensure that services rendered are paid for. As a result, businesses and residents are advised to ensure that all their utility accounts are in order and up-to-date. In the event that accounts are found to be in arrears the Municipality will discontinue services until such time the outstanding balances have been paid in full.

The Municipality urges residents and businesses not to delay any further in keeping their utility accounts in order to avoid the inconvenience that may follow when the services are discontinued.

Ends.
